Air Research and Development Command
Post Office Box 262

Dear General Schriever:

Thank you for your letter of 26 August, which arrived when both Mr. Bissell and I were out of the city.

Inasmuch as neither Mr. Bissell's office nor mine received a call from you last week, I assume that your trip was postponed.

I would be happy to talk with you on the matter you mention when you are next in Washington.

Sincerely,

Allen W. Dulles
Director

OFFICE OF THE COMMANDER

28 August 1957

Mr. Allen W. Dulles
Director, Central Intelligence Agency
2430 E Street, N. W.
Washington 25, D. C.

Dear Mr. Dulles:

Since our last meeting I have noted with considerable interest the conclusions of the current estimate of Soviet capabilities in the field of guided missiles.

In this connection, and in light of recent Soviet announcements, I have a few thoughts which I feel would be worthwhile developing further by getting your own personal views on the subject.

If you will be in Washington, perhaps we can get together for a short talk sometime during the week of 3 September 1957. I am planning to contact Mr. Richard M. Bissell during this period on other matters, so I shall check with him as to your availability.

Sincerely,

B. A. SCHRIEVER
